

BRUNNINGS GARDEN PRODUCTS
PRODUCT GUIDE

BULB FOOD

Introduction

- Specially formulated to include slow release organic ingredients (including Blood & Bone) for use at planting time and on established bulbs.
- Provides essential balanced nutrients for strong, healthy bulb establishment and growth of beautiful colourful blooms.
- Use when planting bulbs or as subsequent side dressing.
- Suitable for use with all bulbs including:

*Tulip, Daffodil, Dahlia, Gladioli, Lilium, Freesia,
Anemone, Hyacinth etc.*

Available in 1kg TUB.

When Should I Apply

Can be applied when planting bulbs or to established bulbs as a side dressing.

How Much Do I Use

Planting out - Mix with soil at a rate of 150g per sq. m.
- Place beneath the bulb, cover with soil before planting bulb at required depth.

At flowering - Apply at a rate of 100g sq.m. Rake into soil and water in well.

Analysis

NPK 3 : 5 : 3 Plus Calcium 9.2%.
